IN RE: Petition of Staff for an Order to be)

 Public Convenience and Necessity currently) ORDER
 authorizing the transportation of houses)
 and buildings only.)

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Petition filed by the Commission Staff (the Staff) whereby the Staff asserts that the General Assembly of South Carolina has enacted legislation amending S.C. Code, Ann. §58-23-20 (1976) by including in that Section language which is intended to accomplish the exclusion from the Commission's jurisdiction of the transportation services provided by movers of houses and buildings inasmuch as such pertains to the moving of houses and buildings.

Based on the above assertion, the Staff prays for an Order of the Commission cancelling the Certificates of Public Convenience and Necessity held by motor carriers which authorize the transportation of houses and buildings only.

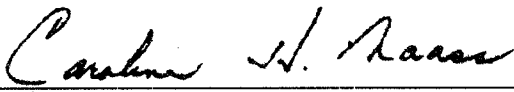

The Commission has considered the Petition of the Staff, and finds and concludes that the Staff has shown good cause why its Petition should be granted, and that it is in the public interest to grant same.
